As We Journey Together.....

Thoughts from Pastor Ed's Heart.....

May 31, 2022

"I have a dream", a famous line from a bold preacher. Well I have a dream and I am dreaming of a time when Kresge will once again be full of life, full of Christ's children of all ages and many generations. I am praying this dream comes true.

This is a developing dream, a developing vision, and I pray many if not all of you would like to be a part.

I implore you to join me in praying for this dream will come true, praying that God would reveal the portion you are supposed to help with, praying for God to reveal that which we cannot possibly dream of, plan and or resource.

I dream of a time when we pour into children of all ages, infants, preschoolers, elementary, middle and high schoolers; when we pour into college students; when we pour into young adults, when we pour into married couples and singles; when we pour into keepers of nurseries, Sunday school teachers, youth group leaders and small group leaders.

I dream of a time when the number of volunteers exceeds the need. I dream of a time when the question is, "What can I do?" Not, "What are you doing for me?"

I see and dream of a start point where young adults gather in small group(s) while their children are cared for and taught. During those gatherings other small groups prepare/pick-up then serve an easy meal while other volunteers help lead. Current small group leaders help train future group leaders and act as examples, coaches and sounding boards.

I have a dream of a multifaceted, multigenerational ministry exploding off the ground – I am praying for this to come to fruition, won't you join me? Ask God to give you another piece of the puzzle then share what He reveals to you.

"This is the word of the LORD to Zerubbabel: Not by might, nor by power, but by my spirit, says the LORD of hosts." Lets not despise small beginnings but look to God to pour out His spirit upon us, just as was poured out on the disciples in the upper Room on Pentecost. Pray we be heated by tongues of fire and enlivened and emboldened by the breath of God! May we all catch the dream!

Listen for God to speak to communicate your role, let's all join together and be a part!

In His grip, Ed
