November 2023 Newsletter

Happy November, everybody.

I hope you start this upcoming month and arrive at the end of the year with a heart full of joy and love.

As we prepare to have our "All Saint's Day" on November 5th, I urge you to remember how the lives you loved that are not with us anymore have affected yours, the many ways they have changed your lives, and the lives around them.

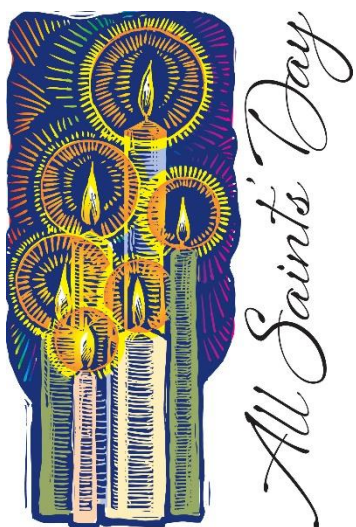

I been reflecting a lot about my time here; you have had a fantastic effect on my life, my time here has been of extreme healing, but more than anything, the love I have felt from y'all made me feel more in love with God.

I have seen God in you, you showed me God's love and healed me from past traumas, to my prayer for november is this: That you can also find your way to be more in love with God and show that love to those around you.

Que Dios los bendiga!

Fede
